An academic year, which starts in September and ends in July, is made up of 3 terms. The A-Level programme is a two year course with a total of 6 terms, with the school fees payable before the start of each term. The enrolment fees, term fees and exam fees are not refundable. Additional fees, as and when they are incurred, from external sources such as exam authorities, uniformed activities, development programmes etc. will be charged separately with the details listed along with the due date(s).

School management has the authority to actively exclude a student from the school and its facilities and resources until all outstanding school fees have been settled in full. Any and all assessment or examination results whether issued by **elc** International School or by an external authority, as well as any academic transcripts shall be withheld, until payment has been made in full. Please refer to the **elc** Terms & Conditions of Enrolment for -
